### Notice for observance of World Environment Day in the Campus

All the students and staff members of the institute are hereby notified that the Institution's Innovation Council of Nopany Institute of Management Studies is observing World Environment Day on June 5, 2026, a Vasudha Club Initiative.

In this regard, as per the notification of AICTE, we request everyone to go through the following initiatives regarding protection of the environment

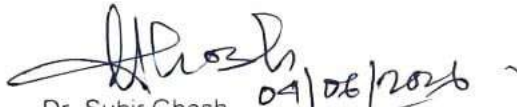

1. First is Smart Campus Cloud Network, which promotes skill building of university youth to make campus Net Zero. It is a movement that has now spread in 16 countries, starting with India, to raise human capital for India to become Net-Zero by 2070. AICTE urges the institutions to undertake survey base-line emission and make a roadmap to mitigate the same through students and the faculty. Green TERRE Foundation, under the agreement with AICTE, would guide you in this experiential learning. (See the details in [sccnhub.com](http://sccnhub.com) for registration )

2. Secondly, please go through the "Climate Satyagraha – Finite Earth Movement" initiative being organised in connection with World Environment Day 2026 by Prof. Chetan Singh Solanki, Former Professor, IIT Bombay and Founder, Energy Swaraj Foundation, regarding the "Climate Satyagraha – Finite Earth Movement" initiative being organised in connection with World Environment Day 2026. The details can be found at [www.thefiniteearth.org](http://www.thefiniteearth.org)

We encourage maximum participation towards environmental sustainability from everyone.

Thank you,

For Nopany Institute of Management Studies

  
Dr. Subir Ghosh  
Principal
